Dear Ms. Crawford:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 12-550 and proposed by the Indiana Family and Social Services Administration ("FSSA"). The proposed rule adds or amends various sections of 405 IAC 5 concerning Medicaid reimbursement for individualized education programs (IEPs).

The economic impact statement prepared by the FSSA indicates that none of the 293 participating school corporations meet the definition of a small business, resulting in no impact to small businesses. The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or [eshields@iedc.in.gov](mailto:eshields@iedc.in.gov).

Regards,
